

January 30, 2018

On Sale Now: PURITY COFFEE Single-Serving Pods!

The same antioxidant-rich, organic, CLEAN coffee you have come to love is now available in single serving pods! Our coffee pods come in 12CT boxes, are #5 recyclable and BPA-free. They are compatible with Keurig K-Cup®, Keurig K-Cup® 2.0 and equivalent single serve brewers.

Pod orders will ship on February 9th. As always, shipping is free!

We're super excited to finally have KUPS available for purchase, so to celebrate this occasion...

We are offering 20% off all orders through tomorrow! This offer applies to coffee pods and whole bean coffee.

Use Code: KUPS20 at checkout!

Coffee and Primary Prevention against Alzheimer's Disease

Alzheimer's Disease is the most common form of dementia, affecting 26 million people worldwide. While there is no cure yet, the best defense against it is a good offense, and coffee may be the best and most delicious weapon at your fingertips.
